

GUO Biao (V.R.)

Doctor of Engineering
Associate Professor

Materials, Strength & Deformation Group
(LU Laboratory)

Department of Mechanical Engineering
Chiba University

Education

- **2008.09-2012.12:** School of Materials Science and Engineering, Southwest Jiaotong University (SWJTU) & University of Science and Technology Beijing (USTB), **Joint Dr. Eng.**
- **2007.09-2012.12:** School of Materials Science and Engineering, Southwest Jiaotong University (SWJTU), **Dr. Eng.**
- **2003.09-2007.08:** School of Materials Science and Engineering, Southwest Jiaotong University (SWJTU), **B. Eng.**

Experience

- **2020.01-** : Department of Mechanical Engineering, Chiba University, **Visiting Researcher** (Supervisor: Prof. LU Yun).
- **2017.12-** : School of Materials Science and Engineering, Xihua University, **Associate professor.**
- **2013.11-2016.11:** School of Materials Science and Engineering, Xihua University, **Lecturer.**
- **2013.01-2013.10:** R & D Department, Chongqing Huafu Industrial CO. Ltd, **Engineer.**

Research Field

- Thermoelectric Materials (Heusler alloy), Powder Metallurgy Materials, Composite.
- Plastic Deformation of Metal, Finite Element Simulation, Materials Testing and Characterization.
- Powder Forging, Die Forging, Extrusion.

Contact

- **Address:** Chiba University International House, 6-33-7, Konakadai, Inage-ku, Chiba City, 263-0043, Japan.
School of Materials Science and Engineering, Xihua University, Chengdu City, 610039, China.
- **Email:** biaoguo_mse@126.com, biaoguo@mail.xhu.edu.cn.
